MEMORANDUM FOR: Colonel White

SUBJECT : Passenger Movement Statistics - CPB

1. Representatives of Logistics, Personnel, and the Comptroller met on 14 December 1954 to resolve this problem. A solution, namely, that Central Processing will furnish the Transportation Division with a copy of all "Requests for Transportation" Form 37-16 and a copy of "Records of Transportation Furnished" Form 37-154, supplemented by notations of excess baggage authorized, was arrived at. From this information, the Transportation Division will prepare the necessary consolidated statistics.

2. The above arrangement, which will become effective 1 January 1955, is satisfactory to all interested parties. It appears, therefore, that no further action is necessary in connection with this matter.
